## Quigley Says U.S. Funds Are Needed To Remove Junk Yard From Gettysburg Battlefield

By JOHN KOENIG JR.

Associated Press Special Service  
WASHINGTON (AP)—An automobile junk yard marring the famed Gettysburg, Pa. battlefield site can be removed only by appropriation of federal funds, Rep. James M. Quigley (D-Pa.) told a Senate Interior subcommittee today.

Purchases of the yard and other areas are needed to halt possible encroachment of commercialism, Quigley said in his prepared testimony.

He urged the subcommittee to restore a 1 1/2 million dollar fund proposed to purchase additional battleground lands at Gettysburg and Manassas, Va.

The money was stricken from an Interior Department appropriations bill passed by the House. More than half of the sum would be used to buy some 600 acres at Gettysburg.

**"Justifiable Expense"**  
Sen. Joseph S. Clark (D - Pa.) submitted a statement to the committee asserting that purchase of the additional acres would "certainly be one of the most justifiable expenditures Congress has ever approved."

Clark said he has received hundreds of letters from all over the United States and Canada urging him to join the "second battle of Gettysburg."

Quigley, whose district includes Gettysburg, said he agrees with those who contend it is an impossibility for the federal government to acquire all the battlefield lands that "enthusiastic civil war buffs would have Uncle Sam purchase."

**Preserve Some Shrines**  
"However, I do believe that our sense of history and our appreciation of our American heritage demands that a limited number of such shrines be preserved."

"Among those, I believe all Americans would include Gettysburg," Quigley said the federal government has almost, but not quite enough land at Gettysburg.

"I do not contend," he said "that every acre which the National Park Service proposes to (Continued On Page 4)

## BAND VARSITY CLUBS FETED BY LIONS CLUB

Seventy-one members of the B Club and the Varsity Club of Biglerville High School were honored at a dinner meeting of the Upper Adams Lions Club in the Biglerville Elementary School cafeteria Tuesday night. It was the 10th such occasion that the Lions have honored the two clubs.

Varsity Club members were introduced by Bernard E. Thrush, faculty advisor. William L. Coradetti, faculty advisor, introduced members of the B Club. Responses for the clubs were by Robert Nyce and Linda Hoffman, respectively.

Arthur M. Gordon, chairman of the event, was toastmaster. He introduced other high school faculty members who were also present as honored guests because of their roles as advisors of various clubs and activities. They and the organizations they advise are: Clyde R. Cover, shop service; Ralph L. Eckenrode, magazine campaign; Donald R. Ernst, yearbook; Lawrence W. Gulden, attendance; Edward S. Myers, metal shop; Harold W. Sanders, instrumental music; Bruce B. Sheets, mathematics, and Miss Mildred A. Walter, dancing.

**Administrators Recognized**  
Gordon also introduced Donald B. Hudson, supervising principal; Charles L. Yost, high school principal, and David C. Houck, business manager.

The speaker was Jim Mutscheller, Baltimore Colts end, who (Continued On Page 2)

## Bequeaths Farm To Her Husband

The will of Alta G. Kindig, late of Littlestown, was entered for probate in the office of the register and recorder this morning.

A farm in Union Twp., consisting of 109 acres, was bequeathed to her husband, John V. Kindig, and upon his death the property, according to the will, will go to the daughter, Ethel Kindig Rohrmel. The remainder of the estate was bequeathed to Kindig who is also executor of the \$20,300 estate. Personal property is valued at \$300 and the farm is listed at \$20,000.

## Urge Preservation Of Gettysburg Battlefield

Three men urged preservation of the Gettysburg Battlefield at a hearing before the Department of the Interior and Related Agencies subcommittee of the committee on appropriations of the U. S. Senate Tuesday in Washington. Among those who testified were, left to right: Henry M. Scharf, president and manager of the Hotel Gettysburg; Dr. S. K. Stevens, Harrisburg, executive director of the Pennsylvania Historical and Museum Commission, and Major Gen. U. S. Grant, III, chairman of the Civil War Centennial Commission. (AP Photo)

## L. V. STOCK, 57, BIGLERVILLE, DIES TUESDAY

Leslie V. Stock, 57, N. Main St., Biglerville, for 34 years a schoolman in Biglerville where he retired as supervising principal two years ago, died at 6:36 o'clock Tuesday evening in the Warner Hospital of a cerebral hemorrhage.

He had been taken ill Monday night and was admitted to the Warner Hospital. The cause of death was assigned by Dr. C. G. Crist, Adams County coroner.

Active in school and civic organizations for years, Mr. Stock in July, 1957, two months after his retirement as supervising principal, took up duties as assistant cashier at the Biglerville National Bank.

**Active Churchman**  
He was a native of Adams County and a son of the late Uriah and Sadie (Albert) Stock. He was graduated from the New Oxford High School and from the Ship-

pensburg State Teachers' College. He taught school for two years at Williamsport, Pa., and then went to Biglerville in 1923 as a mathematics and science teacher. He received his bachelor's degree from Gettysburg College in 1927 and four years later the same institution gave him his master's degree.

In 1936 he became supervising principal of the Biglerville schools after having been high school principal. At his retirement in May, 1957, he had administered the construction of about \$2 millions in new schools and had presided over the formation of the Upper Adams Joint School District. In his early days at Biglerville, he introduced track and soccer to the athletic program there.

He was a member of St. Paul's Lutheran Church in Biglerville and had taught the Pathfinders' Sunday School class. He had formerly been a member of the church council, was a member of (See Photo On Page 4)

## Friday Last Day To Enroll For Course

Those interested in adult driver education at Gettysburg High School this summer are reminded that the deadline for written application for registration is May 22.

The course is open to all adults beyond high school age who live in the Gettysburg Joint School System area. A tuition fee of \$35 will be charged for all persons residing in Cumberland, Franklin, Freedom, Highland, Mt. Joy and Straban Twp's. A registration fee of \$5 will be required of all students. The \$5 fee will be returned providing attendance requirements have been met and all supplies have been returned promptly and in good condition.

Interested persons must apply in writing to the Superintendent of Schools, P. O. Box 29, Gettysburg, giving name, address (include township) and telephone number.

Registration will take place on Friday, June 5, at 7 p.m. in Room 103 at the high school.

## YORK DENTIST TALKS HERE; ELECTION HELD

A "jungle of weeds" was likened by Dr. Robert Spangler to badly decayed teeth of children who urgently need dental care. Dr. Spangler, of York, is a pedodontic and has had graduate training in dentistry for the handicapped child at Children's Hospital in Philadelphia.

In an illustrated talk to the Adams County Chapter of the Pennsylvania Association of Retarded Children, Dr. Spangler said children fear dental work because they have not been given a proper introduction to it by parent or dentist, who should tell the child exactly what is going to happen. It is important to have a thorough dental examination by x-ray to prevent future trouble, he said.

Infected teeth should be treated

## French Caution Delaying Secret Talks With Reds; Propaganda Mill Grinding

By JOHN M. HIGHTOWER  
GENEVA (AP)—West Germany and France were reported today to be putting the brakes on U.S.-British enthusiasm for a prompt opening of secret talks with the Soviet Union over the Berlin crisis and prospects for a summit conference.

Some cautious moves were apparently going on in the Big Four foreign ministers conference concerning the start of secret negotiations.

When these do take place they will most certainly determine whether a summit conference will be held this summer.

**Less Anxious**  
Maurice Couve de Murville of France and Heinrich von Brentano of West Germany appeared less anxious to get quickly into secret talks than their two Western colleagues.

They were said to be taking the line with U.S. Secretary of State Christian A. Herter and Britain's Foreign Minister Selwyn Lloyd

that, since the Soviet Union created the Berlin crisis, the Soviets should take the lead in finding a solution. Couve de Murville and Von Brentano are not opposed to secret talks, diplomats said, but insist the Western allies must enter into such discussions with the greatest care.

Debate over the rival and mutually rejected Soviet and Western proposals for a German peace settlement will continue possibly until the end of the week.

## Two Senators Favor Saving Battlefield

WASHINGTON, AP — Congress has a responsibility to preserve national historic shrines such as the Gettysburg Battlefield and keep them dedicated to the purpose to which they were set up, Senator Robert F. Byrd, (D-W.Va.) said today.

"I am very, very interested in seeing that \$750,000 is restored to the Interior Department appropriation to buy extra land for Gettysburg."

The West Virginia spoke as a member of a Senate appropriations subcommittee which heard Senator Joseph F. Clark, (D-Pa.) and Congress James Quigley, (D-Pa.) urge that money for the battlefield be put back to the table.

## Funds Deleted

The House had passed the measure some weeks ago and deleted the funds for the purchase. Byrd told Clark and Quigley that as a son of a confederate soldier who fought at Gettysburg "I am very much on your side."

"I hope that we can win the second battle of Gettysburg," Byrd said.

Sen. Gayle W. McGee (D-Wyoming) presiding at the hearing, also expressed an interest in restoring the funds. He said that in too many cases the U. S. can put off restoration and preservation of such sites as Gettysburg until it is too late.

## N. H. MILLER DIES TUESDAY

Norman Henry Miller, 54, Abbotstown, died at his home Tuesday evening at 11:50 o'clock after an illness of six months. He had been bedfast three weeks.

A native of York County, he was the son of the late Milton and Anna J. (Hildebrand) Miller and was a member of the St. John's Lutheran Church in Abbotstown, the Abbotstown Fire Company and the Abbotstown Youth Association. Since 1942 he had been employed by Ditz F. Smith, civil engineering contractor at York.

Surviving are his wife, Dorothy R. (Olp) Miller; two children, Mrs. John E. Shultz, Abbotstown, and Mrs. George C. Smeltz Jr., Hagerstown; 6; three grandchildren; five sisters, Mrs. Ada M. Wagner, Mrs. Hattie Grove, Miss Nell G. Miller and Mrs. Milton Wetzel, all of Hanover, and Mrs. Paul S. Gulden Sr., Red Lion.

Funeral services Friday afternoon at 2:30 o'clock at the Fred F. Feiser Funeral Home, New Oxford, with his pastor, the Rev. Lester J. Karschner, officiating. Interment in Mt. Olivet Cemetery, Hanover. Friends may call at the funeral home Thursday evening after 7 o'clock.

## LOCAL WOMAN NOMINATED FOR SCHOOL BOARD

Robert T. Weaner, 39, of 244 Springs Ave., a local manufacturer, and Dr. Richard C. Newsham, 41, of 301 Hanover St., a veterinarian, were nominated by Republicans Tuesday as their candidates for the school board.

Weaner received 816 votes and Dr. Newsham, 807, in a three-sided fight. Orville Orner 49, of 702 Highland Ave., local businessman, received 782 votes.

The Democratic candidates for school board were unopposed; Mrs. Muriel L. Rice, 135 W. Broadway, 37, married and the mother of five children, and Dr. Richard T. Mara, 231 E. Lincoln Ave., professor of physics at Gettysburg College. Mrs. Rice received 254 votes and Dr. Mara, 196.

## Fox Renominated

Gettysburg Auditor John W. Fox won both nominations, receiving 877 votes on the Republican ticket and 17 written-in votes on the Democratic ballot. There were no Democratic candidates for auditor.

Contests for town council attracted the major attention in Gettysburg. In the First ward, Glenn Guise, 49, N. Stratton St., an auto dealer and former chief of police, and George W. Naugle, 57, of 40 Barlow St., insurance agent, both incumbents, won the two Republican nominations. Guise received 335 votes and Naugle, 284, to 171 for Francis I. Linn, E. Middle St., auto mechanic. There were no Democratic candidates listed and Linn, aged 40, active in the fire company and American Legion, won the one Democratic nomination with 10 written-in votes. The other Democratic nomination apparently goes to "J. Lois Lupp," who had four votes.

## Second Ward

In the Second ward the Democratic nominees for council are: M. Hardy Nichols, 54, of 236 Buford Ave., an automobile sales- (Continued On Page 3)

## TUESDAY VOTES COST \$3,906.80

The Adams County commissioners at their meeting this morning at the court house learned voting in Tuesday's balloting cost the county 51 cents apiece. There were 7,515 votes cast and the cost was \$3,906.80. The official count of the ballots will begin at 1 o'clock Friday afternoon. Judge W. C. Sheely and Associate Judges Earl W. Guise and Clarence D. Dear-dorff will be in charge.

Normally the commissioners, who also serve as the election board for the county, assist in the official count. This year with two members of the board candidates they cannot take part in the count and the count is called upon to make the tabulation. The tellers will be Luther Lady and Eugene Weishaar.

Other business this morning included decision to lower the bank along the county home land at the northwest intersection of Broadway and the Gettysburg-Harrisburg Rd. The commissioners said a survey showed the eight foot high embankment constitutes a hazard to motorists entering the Harrisburg Rd. from Broadway and will be even more of a hazard when school children start crossing the street to the new Eisenhower School.

Primary returns were placed on a large board Tuesday night to keep those in the office informed on the progress of the balloting.

## EVERHART FUNERAL

Funeral services for Mrs. Lulu A. Everhart, 78, widow of Robert A. Everhart, who died Saturday afternoon at Union Memorial Hospital, Baltimore, were held Tuesday afternoon in the Fuss Funeral Home, Taneytown. The Rev. Arthur W. Garvin officiated. Interment was in Pipe Creek Cemetery. Pallbearers were George Clabaugh, Floyd Strickhouser, Wilbur Reifsnider, Robert Strickhouser, Elmer Legore and Lynn Strickhouser.

## CHANGE PROGRAM TIME

May Day exercises originally scheduled for Friday afternoon at Biglerville High School have been rescheduled to 9 a.m. Friday and will be held in the school gymnasium, Donald B. Hudson, supervising principal, announced today.

In light voting in Tuesday's primaries, E. Donald Scott, Gettysburg, and Clarence J. Waybright, Freedom Twp., won the Republican nominations for county commissioner in the day's top contest while Carl S. Menchey, Gettysburg, won the GOP nomination for re-election as county register and recorder.

Scott, who is president of the county commissioners, and Waybright won in a field of five. Scott had the most votes at 3,080 while Waybright was given 2,048.

The unsuccessful candidates were Raymond J. Jacobs, Reading Twp., who got 1,331 votes; retired state policeman, 1,225, and Donald B. Hall, Franklin Twp. who had campaigned on a platform of lower taxes, lower assessments and "no new county home," 1,125.

## Only 36 Pct. Voted

Menchey's victory was over Marlin H. VanDyke, Butler Twp. The vote was 2,875 for Menchey and 1,679 for VanDyke.

In November, Scott and Waybright oppose Democrats Charles B. Bender of Gettysburg and George E. Kane, Franklin Twp., an incumbent, both unopposed on Tuesday.

Only 36 per cent of the eligible voters turned out at the polls Tuesday, one of the lightest primary votes in recent years. The Democrats, with few contests to be decided, turned out in smaller numbers than Republicans who had several county contests.

Mrs. Ruth A. Frey, Hamilton Twp., and Grayson A. Weigle, Latimore Twp., were chosen as the Republican nominees for county auditor. Mrs. Frey received 2,683 votes, Weigle, 2,479 and Mrs. Eleanor M. Linebaugh, Liberty Twp., 2,157.

## Partial To McBride

Two men, both of whom claimed they were not actively seeking the nomination, made a contest for the Republican nomination for district attorney.

District Attorney Daniel E. Teeter, who was unopposed for nomination for another term as district attorney on the Democratic ticket, did not campaign for Republican nomination but his friends wrote in his name 419 times on Republican ballots. However, Attorney Donald G. Oyler, local Republican, who also said he was not actively seeking the post, received 945 votes and the nomination.

County Republicans, as well as Democrats, showed a partiality for Attorney Thomas D. McBride, of Philadelphia, although the favoritism was not shared by most state voters. The Republicans gave McBride 2,141 votes as compared to 2,036 for Attorney Blair F. Gunther in the contest for judge of the Supreme Court of Pennsylvania. The county Democrats gave McBride 1,266 to 1,100 for Michael J. Eagen of Scranton in their contest for judge of the Supreme court. McBride was a candidate on both tickets.

Albert W. Johnson, Smethport, seeking the Republican nomination for judge of the Superior court, received 3,844 votes in Adams County. Jacob W. Menges, Conewago Twp., only Republican candidate for nomination as probate judge, received 3,944 votes.

## Breaks Leg When Struck By Auto

Chester E. Shuyler, 50, Biglerville R. 1, suffered a broken left leg, fractures of seven ribs and contusions of the head when he was struck by a car Tuesday afternoon at 5:12 o'clock seven miles west of here at the Cashtown intersection on the Lincoln Highway.

State police said Shuyler was walking from the south side of the road to the north when he was struck by a west bound auto operated by Glenn C. Crider, 21, Fayetteville R. 2.

The officers said Shuyler stopped while crossing the road to permit one auto to pass, then walked into the left front fender of Crider's car. They blamed blindness of Shuyler's right eye as a factor in the accident.

Removed to the Warner Hospital in an ambulance, Shuyler was said to be in a satisfactory condition. Damage to the car was estimated at \$30.

## BAILED FOR COURT

David Cox, Aspers R. 1, has been charged by his wife, Helen M. Cox, with desertion and non support before Justice of the Peace Robert P. Snyder. Cox was arrested by Constable Fred Swisher and is free on \$500 bail for June non-support court, Justice Snyder said.

## NEW OXFORD TRIMS SEWER CONNECT FEE

Property owners who connect to the New Oxford sewer system promptly when it is ready will save \$25 in connection charges. The New Oxford Municipal Authority decided Monday to reduce the proposed \$200 connection fee, which had created something of a stir in the community. The fee is to be reduced to \$175 as an inducement to early connection.

Those who are tardy in arranging for connection will be assessed the full fee. Connection to the system will be required of all property owners in the borough when new sewer lines are available.

Borough officials have been scanning the plans for the sewer project and the water system project which is to be accomplished at the same time. Their aim has been to trim costs to reduce the burden on borough residents. They were advised Monday that the water plant as designed by Tracy Engineers Inc., Harrisburg, is "without frills." Harry Dewire, of the Department of Health, told them that no saving is possible in construction of the water plant.

**Cut Sewerage Cost**  
But some trimming is thought possible in the cost of the sewer system. It was reported Monday that it may be that much of the sewerage system being bought from the New Oxford Drainage Co. will be used to cut the cost of installation. About 1,000 feet of the company's lines will be usable, it was estimated.

The engineers had advised that it would probably be best to install new lines. Installation of the sewer lines will be contracted for on a unit basis—at a price per foot—so that savings can be effected by laying less new line than included in the engineers' drawings.

Those property owners now served by the drainage company's system will escape paying a connection fee but the rates they pay for service will be increased when the proposed disposal plant goes into operation.

Increased water rates will also be applied to all consumers on the borough system on June 1.

It has been estimated that a \$850,000 authority bond issue will be needed to finance the water and sewer projects.

## MOORE AWARD

(Continued From Page 1)

"Wealth and success is no guarantee of happiness and satisfaction. They come with certainty only through the plus efforts that make life better because you were in it. The success, the wealth and the power that come through sharp-dealing, selfishness or chicanery is empty and unreal. You will encounter people with these characteristics, but the large majority you will find to hold the same faith and beliefs as you do and together in that faith, you will achieve great things which those who follow will recognize as the measurement of your life and the heritage you left home. Making things better because you have touched them comes pretty close to fulfilling your purpose in life."

## Undecided Robin Is Finally Settled

NEW YORK (AP)—The Bronx Zoo's mixed-up robin, who started to build nine nests, has quit her construction work to take on the duties of a mother and housewife.

Tuesday she hatched two of the three eggs she laid in one of the nine nests on a fire escape outside the office of the zoo's curator of birds.

She had completed four of the nine nests. If she hatches the third egg, there will be a nest for each member of the family—except the father, who hasn't been seen around.

## "TIMES LIKE THESE"

When the strong tides run against me . . . and my heart knows but dismay . . . I turn to you, my darling . . . for guidance on the way . . . when my spirit cries for friendship . . . of an understanding kind . . . it's you, my dear, who holds the key . . . to tender peace of mind . . . when I'm caught in webs of failure . . . you give faith and hope to me . . . so I can try and try again . . . then face what is to be . . . through each trial and tribulation . . . you give me the will to fight . . . for your advice has always been . . . straight from the heart and right . . . that's why I always turn to you . . . for love that tends to ease . . . the turbulence inside my heart . . . that comes at times like these.

Mrs. Carroll E. Arter, class teacher, will serve as troop consultant, and Mrs. Wilmer Duterra will be a troop committee member.

Mrs. Earl Basehoar, president, presided for the business session and heard reports from Mrs. Luther Hess Jr., secretary, and Mrs. Ivan Miller, treasurer. One new member, Mrs. Larry Sheets, was welcomed. There was a discussion on ways of enlarging the class membership. It was announced that election of officers will take place at the next meeting on Monday, June 15, at 8 p.m. at the church. The June hostesses will be Mrs. Kenneth Halter, Mrs. Clyde Miller and Mrs. Larry Sheets.

GROSSINGER, N. Y. (AP) — Ingemar Johansson is working on one basic theme:

Floyd Patterson must be better than he was the night he defended his world heavyweight title against Brian London in Indianapolis.

"We have 20 better than London in Europe," said the unbeaten European champ from Sweden who fights Patterson June 25 at Yankee Stadium in New York.

"I'm not saying that Patterson is bad. I am just saying that I think he must be better than he looked against London."

## Two New Little League Teams Sponsored By Elks, Gettysburg National Bank

(Second in a series of articles on the six teams in the Gettysburg Little League.)

During the past two years many fine, young ball players have been trying out for positions in the Little League teams in the Gettysburg area and because of this the league found it necessary to expand to a six-team league. The two new additions to the league will enter under the name of their sponsors, the Gettysburg National Bank and the Elks.

The Elks will be managed by G. Noel Flynn, who coached the Rotary team in 1958 and who also led the Gettysburg All-Stars to their most successful year in tournament play of the same year.

The Elks have a roster loaded with potential playing ability, but at the same time it must also be taken into consideration that 14 of the 15 boys have played only minor league ball. Paul Wolfe, an 11-year-old, played some Little League baseball for Dillsburg. Because of this lack of experience under stiff competition, Flynn would rather hold back any predictions until the season gets underway.

**Good On Defense**  
Manager Flynn does feel that he will field a defensive team that will be hard to beat. The biggest problem is the hitting department and pitching. Flynn said, "All the boys look good on defense, but it will be a question of whether the boys can hit the Little League pitching which we will be facing."

The Elks' manager stated that no particular position has been definitely decided. Many players will alternate at various positions. Behind the plate the catching duties will be shared by Craig Smith and Rad Schultz. Both boys are husky, powerful 12-year-olds. The pitching staff will be a toss-up among four strong pitchers. Bob Teeter, Craig Smith, Mike Krick and Dick Fox head that list.

The infield will be composed of such players as Rad Schultz, Craig Smith, Kevin Hetrick, Eric Maitland, Dick Finkboner, Mike Krick, Sam Teeter, and Bob Teeter. One of the sharpest looking fielders and hitters is little 9-year-old Eric Maitland, who has had two brothers who were outstanding Little Leaguers.

In the outfield, manager Flynn has seven very capable ball players including Paul Wolfe, Fred Ward, Jeff Dengler, Mike Hafe, Jeff Singley, Dick Warren and Dick Fox. Any of these boys has the potential of keeping the opposing batting averages down and at the same time boosting their own.

Many of the league officials are of the opinion that the Elks will be a team that can make the going a little tough for the top contenders.

The second new team in the Gettysburg Little League is the Gettysburg National Bank managed by Ed Heiser and assisted by Paul Toddes. Unlike Flynn, both Heiser and Toddes are taking their first crack at Little League ball. Manager Heiser also feels that his young ball players, all of whom have just come up from the minor leagues, will make a good showing for themselves on the defense. It may also be noted that the Bank is loaded with power at the plate that could break up a ball game at any time.

Heading the long list of hitters is Bob Harman who has a good eye for the ball, a strong arm and is a top notch first baseman. Two young players, Larry White and Roger Heller, will be holding down the second base position. Walter Toddes, who has been steadily improving, along with Mike Doyle, are the top choices for shortstop while Nelson Wansel, a strong boy, will try to sew up the third base slot.

Heiser considers his center fielder, Sam Green, as one of the best in the league. Green is a natural.

## CARR BECOMES NEW COACH AT CALVERT HALL

Tommy Carr, who resigned as head football coach and athletic director at Delone Catholic High School after the 1958 season, has announced he has accepted a similar position at Calvert Hall College High School in Baltimore.

The 30-year-old Coal Township native, who served at the helm of the McSherrystown gridders for two seasons, is replacing George Young, onetime Bucknell University tackle.

In his first season at Delone, Carr compiled a 7-2 mark, losing his last two games of the season. Last season his forces won seven and lost three, coming within a point of winning the Central Penn Catholic League title. They bowed to Bishop McDevitt, 7-6. Having played one more game than the Crusaders, the Squires could have captured the crown by tying.

Calvert Hall is an all-boys' institution with an enrollment of 1,100. Like most colleges, the school has spring grid practice on its athletic grounds.

Carr is a 1951 graduate of East Stroudsburg State College and is in his ninth season of coaching. He was assistant and later head coach at his alma mater at Coal Twp. He succeeded Walter Marshall at the head of the Purple Demons.

## NORTH CANADA SPORTSMEN'S CAMPS TO OPEN

**By ARCH MACKENZIE**  
**Associated Press Sports Writer**  
OTTAWA, Ont. (AP)—The first two sportsmen's camps north of the Canadian treeline are expected to begin operating this year, accommodating anglers willing to pay for the privilege of fishing for arctic char.

Officials of the Northern Affairs Department expect more camps to follow. Seal hunting also is being planned on a limited basis.

Both fishing camps will be located in southern Baffin Island in the eastern Arctic—just across Hudson Strait from the northern tip of Ungava.

**Excellent Sport**  
The largest is expected to be an operation by former bush pilot Rex Clibbery of Winnipeg and Kenora, Ont., at a site on Frobisher Bay about 50 miles east of the town of Frobisher. He aims to charge \$1,500 for a week's stay—including flight in and out.

The other camp will be at Cape Dorset at the southwestern end of Baffin Island. It will be operated by about seven eskimos.

The basis of the fledgling industry is a pink-fleshed fish occurring both in rivers and the ocean almost as far north as scientists have run tests. Arctic char are rated excellent sport, may reach 15 pounds in weight and are taken best on wet-line lures.

The Dorset camp will limit its sportsmen to some 20 a year. They will be flown in by Austen Airways from Moosonee, Ont.

## Recommendations By PIAA Friday

NORRISTOWN, Pa. (AP)—What the PIAA District 1 Committee recommends be done as a result of the beating of a kingpin youth by Chester High School basketball fans last March won't be known until Friday.

Richard C. Ream, chairman of the District 1 committee of the Pennsylvania Interscholastic Athletic Assn., said after a 4½-hour session with school authorities on Tuesday night at nearby Jeffersonville.

"The district committee will present a report to the PIAA Board of Control. A recommendation will accompany the report. By request, we are not at liberty to divulge the contents of the report or the recommendation before it is presented to the Board of Control."

The board will meet at University Park. Ream said Mark Funk, PIAA executive director, had requested contents of the report be withheld.

DETROIT (AP)—Bowler Marion Ladewig received a big tribute from her home state of Michigan today. Mrs. Ladewig, of Grand Rapids, became the first woman to be voted into the Michigan Sports Hall of fame. Sports editors and sportswriters chose her among others in their annual elections. She has won more national bowling titles than any other woman.

INGLEWOOD, Calif. (AP)—Grandpa Johnny Longden has passed the 5,300-mark in his racing victories. The 49-year-old jockey scored a double at Hollywood Park Tuesday. It's a world record, for Johnny has already ridden far more winners than anyone.

## SLOW PITCH SOFTBALL

Rain and wet grounds resulted in cancellation postponement of both games in the Slow Pitch Softball League which was slated to start play Tuesday evening.

Chester Hilger, recreation director, today announced a revision for Thursday's games. At 7 o'clock the First Baptist team will meet St. Francis and in the second game the Methodist will oppose the Foursquare Gospel outfit.

## West Chester Has STC Baseball Title

JOHNSTOWN, Pa. (AP)—West Chester has won the Pennsylvania State Teachers Colleges baseball conference title with a 4-0 record and 225 rating points.

Standings released Tuesday showed East Stroudsburg second with a 4-1 mark and 200 rating points. Lock Haven was third with 173 points on an 8-3 record.

Millersville is the new teachers colleges tennis champion, replacing Slippery Rock which held the title the past two years.

Millersville finished 4-0 in conference play, while Slippery Rock was 3-0. Third place went to East Stroudsburg with a 2-2 record.

## Today's Game

Final  
Littlestown at New Oxford.

Fairfield High sewed up second place in the county scholastic baseball league by nipping Littlestown 2-1 in a well-played game on the winner's field Tuesday.

Each team mustered but three hits, Joe McCauslin rapping all for Fairfield with a single and pair of doubles.

Fairfield scored in the first inning on a single by McCauslin, his steal of second base, and an ensuing two-base error at third base. What proved to be the winning run came in the last of the third when John Mort walked, stole second, advanced on a wild pitch, and ran home on McCauslin's double.

Littlestown's lone run in the third came after Larry Unger was safe on a fielder's choice. He went to second on an error, stole third and ran home on another bobbie.

The victory gives Fairfield an overall record season mark of 7 and 3.

Biglerville scored four times in the last of the fifth inning in topping invading New Oxford 7-1. Four hits in that inning, including a double by Larry Guise, produced the runs.

The Camers ended their season with the game and compiled an overall mark of 4-6.

## ROOKIE RACE DRIVER DIES IN PRACTICE

INDIANAPOLIS (AP)—The 50th death in 50 years was charged today against treacherous turns and hard concrete walls of the Indianapolis Motor Speedway in the most disastrous practice period since 1937.

Rookie Bob Cortner, 32, of Redlands, Calif., died Tuesday night of severe head injuries, the second victim this year of preliminaries to the 500-mile race May 30.

Jerry Unser, Lakewood, Calif., was fatally injured in another practice run May 2.

This is the first year more than one person has been killed in the preliminaries since a 1937 mishap fatally injured a mechanic and four spectators.

Cortner, a 10-year veteran of midge car racing but new to the big cars, had completed his Speedway driver's test only Monday. After passing the final 130-mile-an-hour phase, he was permitted to drive as fast as he liked.

He wheeled his new Cornis Special into the northeast turn a little too high and was caught by a crosswind. The car spun into the infield and whipped back across the track to crunch against the retaining wall almost head-on.

## GHS Entertains Hawks Thursday

Gettysburg High School's baseball team needs victories today and Thursday to wind up its season with a 500 mark.

Today the Warriors, 4-6, were scheduled to meet Boiling Springs on the latter's field, and on Thursday at 4 p.m. Hanover will be met here in a South Penn League game.

Five members of Coach Ben Jones' squad are seniors and will conclude their careers this week. They are Captain Gary Maitland, Bernard Lochbaum, Ronnie Sprankle, Ronald Stokes and Charles Fair.

## ORIOLES WIN; END CHISOX REIGN AT TOP

**By ED WILKS**  
**Associated Press Sports Writer**  
Those Baltimore Orioles are doing things the hard way and making it look easy while hovering near the American League lead.

They're third, 1½ games shy of first, after winning six of their last eight. But it hasn't been a breeze — not when they've had to take three of four from front-running Cleveland and Chicago's White Sox to do it.

Tuesday night, just 24 hours after Hec Brown and Billy Loes combined for a shutout that knocked Cleveland out of first, youngsters Billy O'Dell and Jerry Walker ended Chicago's brief stay on top by beating the White Sox 2-1. They did it with a joint-six-hitter backed up by O'Dell's game-winning inside-the-park home run.

**Tribe In Lead Again**  
Cleveland jumped back into the lead, a half-game ahead of Chicago, with a 5-2 victory at Washington. Last place Detroit moved within .025 percentage points of seventh-place New York by beating the Yankees 6-3. The Kansas City at Boston game was rained out.

O'Dell (2-2) gave up five of the White Sox hits, blanking them on three hits until the seventh, when he gave up a walk and singles by pinchhitter John Romano and Luis Aparicio. O'Dell called it quits in that inning, after bruising his leg fielding a grounder.

The Orioles, who now have won 10 of 13 one-run decisions, managed just four hits.

**Tigers Can Leave Cellar**

## News Of 110th Wedding Anniversary Stirs Scribe

**By SAUL PETT**  
NEW YORK (AP) — The news from Moscow the other day got me thinking. It concerned a Russian couple celebrating their 110th wedding anniversary.

She's 136 and he's 131. They have great-great-grandchildren. They have two daughters and a son, each of whom is over 100.

And I got to thinking about a couple married that long and imagined they were American.

**Never Should Have**  
And one morning at breakfast: He: Pass the toast.

She: Know what day this is?

He: Lemme see, it's May 20, 18—no, 1959.

She: It's our 110th wedding anniversary.

He: Who told you that, Univa?

She: Still thoughtless, aren't you? Mother was right. I never should have married a younger man. You're just immature. And so forgetful. You even forgot junior's last birthday. And you know how important 100th birthdays are to the children.

**Which War?**  
He: Pass the jelly.

She: Full of big talk and promises. I remember you promised after the war that—

He: Which war?

She: Promised we'd take a long trip some time.

He: What's the rush? Things are too crowded these days.

She: You said that about the stage coach and clipper ships.

He: I swear. This is the toughest bacon I've had since Shiloh.

She: I'm not surprised. You haven't raised my table money since Appomattox.

**Once In A Century**  
He: Can't a man enjoy his breakfast in peace, just once in a century?

She: We wouldn't be worrying about money now if you had had any sense about those investments. Imagine, 100 shares of Amalgamated Lamp Wick!

He: How was I to know one week later that darn young fool would invent the light bulb?

She: You couldn't even win an election bet.

He: I didn't do so bad on Fillmore, Pierce and Lincoln.

**Not Necessarily Permanent**  
She: When will we get a television set? Matter of fact, when will we get a radio?

He: You haven't seen all your stereopticon slides yet. Look, if you're so darned bored, if you have so much free time to kill, why don't you get yourself a hobby? Maybe skiing. Or maybe you ought to get a part-time job, say delivering ice.

She: If I did, I'd be the first one in this family to make a decent living!

He: Now, listen, woman, if I were you I'd keep a civil tongue in my head. After all, there isn't anything necessarily permanent about our arrangement.

**CONS ELECT TO INJURE SELVES**

RALEIGH, N.C. (AP) — Eight tough, long-term convicts at a prison camp for incorrigibles chose self mutilation as a means of registering complaints Monday.

State Prisons Director William Bailey said three cut off a part of their little fingers, and five injured themselves with sledge hammers.

"They wanted television, store privileges and they fussed about the food," Bailey said.

The incident occurred at Ivy Bluff Camp in Caswell County. The men were brought to Central Prison Hospital here for treatment.

Only 35 to 40 men are confined at Ivy Bluff, a camp for convicts who fail to conform to prison regulations. The men work in a

rock quarry, Bailey commented. "Men will do anything to get away from there."

Bailey said the State Bureau of Investigation will look into the matter.

Asst. Prisons Director Robert Allen recalled that four inmates hit themselves with sledge hammers about a year ago, prompting an investigation into charges of mistreatment of prisoners at the camp. One of the men broke his leg.

In Monday's incident, the men used a tool on the end of an electric drill to cut their fingers.

## CANCER CAUSE OF ONE DEATH IN SIX IN STATE

HARRISBURG (AP) — While heart disease continues to be by far the leading cause of death in Pennsylvania the mortality rate from cancer has shown a steady increase since 1950.

Cancer caused the deaths of 18,856 Pennsylvanians in 1958, second only to the 49,673 victims claimed by heart disease, the State Health Department reported Tuesday.

That means 1 of every 6 deaths last year was caused by cancer, a rate of 169.9 per 100,000 population.

The cancer death rate last year was down slightly from the record 170.8 per 100,000 population in 1957, but it was 11 per cent higher than the 1950 rate of 155.2.

**Respiratory Cancer**

Dr. William Kraus, director of the Health Department's Division of Chronic Diseases, attributed the over-all increase in the cancer mortality rate during the past 8 years to a 33 per cent rise in the number of deaths from cancer of the respiratory system.

Dr. Kraus said two of the reasons for the higher number of reported deaths from respiratory cancer was due to longevity and improved diagnostic techniques.

"The mortality rate from cancer increases steadily during adult life and reaches its maximum in the older age groups," Dr. Kraus said. "In 1958, 54 per cent of all cancer deaths in Pennsylvania occurred at ages 65 and over, 37 per cent between the ages of 45 and 64 and 9 per cent at the ages under 45."

**Kills 15 Infants**

Cancer claimed the lives of 15 infants under a year old and 244 children between the ages of 1 and 14, he added.

While cancer of the respiratory system is reported on the rise it accounted for only 14 per cent of the cancer deaths last year, the department reported. The digestive system was the site of the malignancy in 37 per cent of cancer deaths and the genitourinary system in 19 per cent.

rock quarry, Bailey commented. "Men will do anything to get away from there."

## Young Offenders Get Mental Tests

NEVADA, Mo. (AP) — Circuit Judge Jack Pritchard is taking a new tack with juvenile offenders. He requires most of them to submit to mental and physical examination at State Hospital No. 3.

This has given certain pause to the set whose byword is — "crazy man, crazy!"

"There isn't any doubt it's changed a lot of attitudes," said Darrell Estes Jr., chief of police in this southwest Missouri city and juvenile officer for Missouri's 26th Judicial Circuit.

Estes said he thinks Judge Pritchard's strategy will be as much a preventive as a remedy.

It is too early for sweeping conclusions about how it is working. But Judge Pritchard and Chief Estes are encouraged by what it is doing for four boys.

**LIST NEEDED INVENTIONS**

WASHINGTON (AP) — The Pentagon has issued a list of things it wishes somebody would invent.

Something that would enable a soldier to jump over a mountain, for instance.

The list of 28 new problems for the nation's inventors was issued by the military Monday through the National Inventors Council, a Commerce Department agency which is a clearing house for military inventions.

The list has been issued, revised and updated from time to time since the council was set up in 1940.

Of the mountain-jumper for soldiers, the council said:

"The device must provide excellent stability and be sufficiently responsive to control that the wearer may use it to assist in his movement over rough terrain while carrying normal combat equipment of the infantry."

The Army has been working on such a rocket belt for some time, but apparently a more ambitious one is needed.

**May Continue Hospital Strike**

NEW YORK (AP) — Striking nonprofessional workers at six hospitals vote this evening on a proposal to end the strike, and union officials predict they will turn it down.

The terms of the latest offer were kept secret, but it was understood they did not include union recognition. The union called the strike 11 days ago to get recognition.

The union indicated that if the workers refused to accept the offer, the strike would be extended to more of New York's 81 volun-

## NAVY HAS NEW PLAN TO STORE AND USE BLOOD

CHELSEA, Mass. (AP) — The Navy has taken the wraps off a development which is expected to revolutionize storage and use of blood.

Hitherto red cells have had a usable life of not more than a month, often not more than 20 days.

But Navy medical officers disclosed more than 500 entirely successful transfusions have been made at the U.S. Naval Hospital here with blood stored anywhere from a month to two years, and they think two years will not long remain a limit.

The technique will be unveiled formally at the American Medical Assn. Convention at Atlantic City, N.J., June 8.

**Joint Achievement**

The development has been a joint achievement of the Navy and the Protein Foundation.

Blood is transferred to a fractionator, which works on the same principle as a cream separator.

The fractionator separates the red cells from other elements. The red cells then are mixed in glycerine and placed in a freezer.

The glycerine prevents formation of ice crystals which would destroy the red cells.

Everything hinges on preserving the red cells. Storage of plasma poses no problem.

## Atlas, Polaris Missiles Misfire

CAPE CANAVERAL, Fla. (AP) — An Atlas intercontinental ballistic missile ruptured in a brilliant burst of orange flame and a Polaris test rocket petered out shortly after they were launched Monday night.

The mishaps were the latest in a series of troubles for the Atlas and ended a streak of two straight successes for the Polaris.

The 80-foot Atlas made what appeared to be a smooth liftoff at 11:30 p.m., but 60 seconds later the huge rocket exploded with a roar that resounded over the Cape.

Five hours earlier the Polaris sped aloft in its eighth flight test, but the solid fuel missile's second stage failed to ignite.

**National Title Race At Grove**

WILLIAMS GROVE, Pa. (AP) — Roy Richwine, owner of the Williams Grove Speedway, is winding up details today in preparation for the presentation of the season's first big racing classic — a 100-lap national championship late model stock car race sanctioned by the U.S. Auto Club — scheduled for this coming Sunday afternoon on the half-mile oval.

"This race, limited to 1957-1959 late model stock cars, should more than make up to fans for the delay in getting the season underway with 'the big time' in auto racing," Richwine said.

Richwine cancelled a sprint car racing originally set for April 19 as the track's opening race due to a conflict in dates granted by USAC.

## BIG DIFFERENCE

## IN ECONOMY

Plymouth, traditional economy champ, again won its class in the Mobilgas Economy Run... won for the third straight year! In this recognized competitive test for economy, a Plymouth V-8 averaged 21.15 miles per gallon. Plymouth's proven high gas mileage, initial low purchase price, low maintenance cost and good resale value all add up to the Big Difference in economy!

### PLYMOUTH DELIVERS BIG DIFFERENCE IN PERFORMANCE

But you don't have to sacrifice performance to enjoy Plymouth's top economy. The Fury V-800 engine that powered the Plymouth to its Mobilgas victory is the biggest standard V-8 in Plymouth's field. Its 230 horsepower packs plenty of power.

### BIG DIFFERENCE IN QUALITY

We sincerely believe that the '59 Plymouth is the finest car Plymouth has ever built. Check every inch of this car. See the difference great engineering makes.

### TAKE A "TWO-MILE TRY-OUT" NOW!

Get behind the wheel of a Plymouth and really feel Plymouth's Big Difference. Take your "Try-Out" soon.

To be fully appreciated, must be driven...

### BIG DIFFERENCE IN RIDE

Plymouth's famous Torsion-Aire Ride is the most comfortable ride on the road. It acts as a built-in road-leveler—it virtually eliminates roll or sway on turns—front end dive on stops. And it's yours at no extra cost on Plymouth.

### BUT YOU DON'T PAY FOR THE DIFFERENCE

The top-selling, low-price cars are all priced about the same but only PLYMOUTH gives you the Big Difference for your money.

## PENNSY MUST RUN 5 TRAINS

PHILADELPHIA (AP) — The State Supreme Court has ruled that the Pennsylvania Railroad must continue to operate five passenger trains between New York and the Midwest. The railroad had announced it would eliminate the trains.

The high court's decision Monday set aside a ruling by the State Superior Court. The lower court had ruled invalid a 1958 Public Utility Commission order requiring Commission approval of cuts in passenger service.

Justice Charles Alvin Jones wrote the majority opinion. Justice John C. Bell Jr. dissented. Justice Thomas D. McBride did not participate.

Justice Jones said that the Superior Court had no jurisdiction over the matter because at the time of the ruling there were no service cuts pending.

He added that the attempt of the railroad to have the Superior Court review the ruling "amounts to no more than an advisory opinion which our courts are not organized to render."

## MAY REOPEN HARRY OAKES MURDER CASE

NASSAU Bahamas (AP)—It is up to the crown to decide whether to reopen this royal colony's prime murder mystery the 15-year-old Sir Harry Oakes case. By unanimous vote, the House of Assembly Tuesday asked Scotland Yard to renew investigation into the Oakes slaying.

Raymond Schindler, an American detective who figured in the original probe, said he had information that would crack the crime.

**Count Acquitted**  
Joining in the Assembly vote was Harold C. Christie, Sir Harry's House guest who found the Oakes battered body on a fire-swept bed July 8, 1943. The only man ever charged with the slaying was Count Alfred de Marigny, Sir Harry's son-in-law. The Duke of Windsor, then governor of the Bahamas, hired veteran American police to work on the case. De Marigny was acquitted after a sensational trial in which charges were made that a De Marigny fingerprint was planted in Oakes' bedroom.

Oakes' daughter, Nancy, heirless to an estimated 200 million dollars, retained specialist witnesses in a costly fight to win acquittal for her husband. Their marriage later was annulled and each wed other partners.

## Mrs. Truman Happy Of Two Bits Of News

KANSAS CITY, Mo. (AP)—Mrs. Harry S. Truman and the former President have two reasons for rejoicing today.

Pathologists have determined that the tumor removed from Mrs. Truman's breast was not malignant.

And their second grandchild was born Tuesday in New York.

The tumor was removed by surgery Monday.

"Thank God," exclaimed the 74-year-old Mrs. Truman when she heard the report. "I did not want to go through the rest of my life having people feeling sorry for me."

The decision Tuesday was part of the board's initial ruling in an investigation of airline needs in the northeastern states areas.

The tentative vote will be made formal later, the board said. It authorizes Allegheny service between Washington and Boston by way of Baltimore, Wilmington, Philadelphia-Camden, Trenton, New York-Newark, Islip, N.Y., Bridgeport, New Haven, New London, Hartford-Springfield and Providence.

Also voted tentatively was a westward extension of the Mohawk Airlines system to Cleveland from Syracuse and Utica-Rome, N.Y., via Meadville, Pa., and Jamestown, Olean, Elmira-Corning, Binghamton-Endicott-Johnson City and Ithaca, N.Y.

Other routes tentatively awarded to Allegheny include:

1. Service to Reading, Pa., as an intermediate point between Lancaster, Pa., and Wilmington.
2. Service on a new segment from Harrisburg to Baltimore and Washington.

The board also gave tentative approval to United Airlines' ap-

## KNOX COAL CO. UNION LEADER IS CONVICTED

SCRANTON, Pa. (AP)—Dominick J. Alaimo, a former union official, was convicted Tuesday by a federal jury on 34 counts of violating the Taft-Hartley Act by accepting money from the Knox Coal Co. to insure labor peace.

Sentencing was deferred by U.S. District Court Judge John W. Murphy pending an appeal which Alaimo's counsel said he planned to file. Alaimo was continued in \$5,000 bail.

The 49-year-old former committeeman of Local 8005 of the United Mine Workers faces a maximum punishment to suspend service to Bradford, Pa.

penalty of 34 years in prison and \$340,000 in fines.

**Took \$7,000**  
Alaimo, who now runs a dress factory in Pittston, was charged with accepting more than \$7,000 from Knox in 1957-58 without performing work to justify the payments.

The defense contended that Alaimo was a watchman at the firm's mine workings in Port Griffith where 12 miners drowned Jan. 22 when the Susquehanna River spilled into the mine. A state investigating committee reported that safety laws had been violated.

Alaimo, who did not testify during the trial, showed no emotion when the verdict was read.

## Prison Athletic Program Attracts

BOSTON (AP) — Earl Gray, 26, was convicted Tuesday of unarmed robbery.

Superior Court Judge Reuben L. Lurie indicated he planned to sentence Gray to 18 months in jail. But Gray asked for a longer sentence so he could be confined in State Prison.

Asked why, Gray said "They have a better athletic program at the prison."

Judge Lurie complied by sentencing him to 2½ to 3 years in prison.

## M'BRIDE IS DEFEATED FOR HIGH COURT

By THE ASSOCIATED PRESS  
The anti-organization candidacy of Justice Thomas D. McBride for a full 21-year term on the State Supreme Court fell under a rain of votes that stayed loyal to Democratic and Republican party leaders.

The results of Tuesday's disputed primary election left next November's contest to Democratic Judge Michael J. Eagen of the Lackawanna County Common Pleas Court and Republican Judge Blair Gunther, Pittsburgh of the State Superior Court.

With 7,438 out of 8,964 districts reported, the vote was 406,985 for Eagen and 326,969 for McBride in the Democratic contest. In the GOP battle, 7,618 out of 8,964 precincts gave Gunther 512,977 votes compared to 257,517 for McBride.

48,000 Majority  
Eagen rolled up heavy majorities in Philadelphia, his home county of Lackawanna and in Allegheny County where Gov. Lawrence runs the organization.

Philadelphia Democrats voted 2-1 in favor of Eagen who received a majority of more than 48,500 in the city.

The biggest surprise in otherwise lack-luster balloting was McBride's showing. He carried more than a dozen counties and held the lead in more than 20 of the others with tabulations still to be completed.

Eagen, who at 52 already has served 18 years on the bench, had conceded the loss of only York and Montgomery counties. York, home county of former Gov. Leader who gave McBride the \$30,000 - a year post on the appellate court, handed McBride a solid 10,000 - vote majority.

On the Republican side, Gunther's majority of nearly 250,000 was impressive. But even here, McBride managed to carry three counties against Gunther.

## CRITIC LAUDS CBS PROGRAM ON MARRIAGE

NEW YORK (AP)—The public affairs department of CBS news planted a small oasis in the desert ming Tuesday by examining the question: "Do they marry too young?"

It was the first in a projected CBS-TV series entitled "Woman!"

The hour program, which cost over \$100,000 to produce, was outstanding in the field of daytime programming and better than most of the things visible on the home screen in the evening.

Presenting actual young people and their parents, and leaving their experiences with the findings of physicians, clergymen, judges, sociologists and others, the program found the younger generation is marrying at a younger age level these days than ever in our history.

The program did not flatly answer yes or no to the question of whether they marry too young. Rather, in the manner of a good

## BAPTISTS IN SESSION TODAY

LOUISVILLE, Ky. (AP)—Southern Baptists today took a look at the seven-league strides by which they've advanced from regional group to nationwide denomination.

"Substantial progress" was the way a report to their annual convention put it.

From a geographical belt, confined primarily to 16 southern states back in the early 1940s, the denomination has mushroomed through 45 states, including Hawaii and Alaska.

There are 9,206,758 members in 31,498 churches, second in size only to the Methodists among America's Protestant bodies. It's a multi-million-dollar operation, with contributions last year totaling \$419,619,483.

These and other figures of growth were given by Executive Secretary Porter Routh as the convention went into its first day's business sessions.

## Find Dizziness, Income Related

DURHAM, N.C. (AP) — A specialist on problems of the aged says there may be a link between dizziness and income.

Dr. Juan A. Pons told a seminar on old age here Tuesday that 54 per cent of a test group of 200 volunteer subjects, all 60 or over, complained of frequent dizziness.

He found that sex, race and age had little or no relationship to the ailment. But he did note that more people in low income brackets suffered from dizzy spells than those who had earned more money.

CHESTERTON, Ind. (AP) — John Hansen won a Carnegie Foundation medal in 1931 for saving a girl from drowning, but he decided not to apply for the \$500 reward until he needed the money. Recently the foundation decided he had waited long enough and sent the \$500.
